

DAY ONE

INTRODUCTION

From creation to approximately 1440 BC the story line of the Torah takes us on an exciting journey through the world that is the foundation of the Christian faith.

Prepare your heart to meditate on the different events, to be challenged by the different characters, and to meet the loving God of the Old Testament.

Many have claimed that the God of the Old Testament is different from the God of the New Testament as revealed in Jesus.

He is indeed a strict Father, who judges all who come before Him, but as the Psalmist says in Psalm 19:9b-10,
“The judgments of the Lord are true; they are righteous altogether. They are more desirable than gold, yes, than much fine gold; sweeter also than honey and the drippings of the honeycomb.”

I pray that as you read this devotional study, your heart will fall in love with Yahweh, the loving, caring God, who again and again rescues His rebellious children, tests them, and enables them to grow up.
